## Comments Report

## 3. Comments

3.1) Is there anything else you would like to add about this instructor or course?

- Amazing teacher. Cares so much about his students, and it is a truly a pleasure to be in his class. My favorite teacher I've ever had.
- Great instructor, one of the nicest and most helpful teachers that I have had.
- Great teacher, who genuinely cares.
- Professor Najafi is excellent! He really cares about his students.
- Professor Sami is incredibly understanding and accommodating. His lectures are extremely organized and he explains key concepts very well on the board and through his lecture slides (which he is constantly updating). Last quarter, I failed the class with Professor Schaffzin, I will be able to pass this course this quarter and I am sure beyond a shadow of a doubt that it is because of the difference in quality between the two professors.
- Sami is a great professor
- Sami is one of the best people at Santa Clara!
- Sami is one of the nicest teachers who genuinely cares about his students. He provides thorough lectures, but gives students the option to pay attention.
- Teacher tends to speed up his lectures to a point where students cannot keep up, and fails to notice this, even when students ask for help. Would recommend other teachers sit in to audit
- The professor explained all of the concepts really well. The problem sets we did in class really helped.
