## 3. Comments

3.1) Is there anything else you would like to add about this instructor or course?

- Great teacher! She cares about her students and is passionate about the subject. I would definitely take her again.
- Professor Najafi is a great teacher. One of the nicest people I have ever met. He is very understanding and really tries his hardest to help you out. Professor Najafi goes out of his way to help his students learn the material.
- Sami is a great instructor. Though the class material can get a bit dull, he makes class a little more interesting by making students feel comfortable and encouraging them to participate.
- Sami is the man! Made class fun and was a very good professor.
- Very kind teacher but I would have liked to have known more about tutoring earlier on in the quarter. He is very helpful and makes time to see you when you need help.
- Very theory focused and not many practice problems in class
